

Our new name:

# BLUEMONT

PTY LTD

Since 2004 we have expanded our product range greatly, now including premium mobile flood barriers and high volume flood pumps.  
The name Fire Fighting Technologies no longer reflects our complete product offering, hence the change to Bluemont.

More deployment and technology news will follow in the next Bluemont News Flash.

This time check out our range of  
**fire fighting / bulk water transport systems:**

 Category **Fire Fighting**

 HYTRANS fire system mobile water supply	 Large Diameter Hose	 Hose Layer & Hose Recovery Systems	 Hose Ramps	 Foam Proportioning
 Fittings & Adaptors	 Monitors & Nozzles	 Foam Storage	 Watermist	 Bushfire Early Detection System
