

BLUEMONT

— P T Y L T D —

Project type: Bridge pylon protection
Location: Tin Can Bay Road, Gympie, Queensland, Australia
Date: January 2020
Kyowa: 4t Eco-Green rock bags
Client: Roadtek (Department of Transport and Main Roads QLD)

Summary: Kyowa rock bags were used to create a cofferdam to reclaim a working platform for the new bridge pylons as well as provide erosion protection to the pylon platform.
