

Project type: Boat Ramp, toe scour protection  
Location: Russell River Road, Bellenden Ker, Queensland, Australia  
Date: December 2017  
Kyowa: 2t Eco-Green rock bags  
Client: Roadtek (Department of Transport and Main Roads QLD)

Summary: Kyowa rock bags were used to guard against erosion at the toe of the newly extended boat ramp.  
Crocodiles were a present danger making the project more involved.
